Beckham enormen Respekt einflt.0 von 0 Kunden fanden die folgende Rezension hilfreich. It's not his second Biography!!!!Von 7777I bought it with the believing, it is his second part bio about his time after Real Madrid(in LA, Milano... Paris). But it's not. It is more a Illustrated Book with more Pictures than lines, about his 20 Year footballer career, with quotes and thoughts of his best and worst moments.With this in mind, it is a fast read, with cool Pictures!Easy and understandable to read. It's a good Art book of one of the best footballer!!Only for true Beckham supporters or people interested in something new...0 von 4 Kunden fanden die
