**Von Michael Phelps : DAVID JANSSEN - Our Conversations: The Early Years: 1965-1972 (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised DAVID JANSSEN - Our Conversations: The Early Years: 1965-1972 (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Enlightening Von N. Budden This book provides a glimpse into the real man behind the television series called, "The

Fugitive." With millions of fans around the world, even 30+ years after his untimely death, David Janssen's name still evokes feelings in the hearts of his fans. In this book you will read about his up and down marriage to Ellie, his first wife, and subsequent divorce. You will also meet Rosemary Forsyth, a woman who stole David's heart for a time until that relationship fell apart and he met Dani Greco, whom he would go on to marry, as told in the second part of the story. It seemed David paid a heavy price for being so famous, even if he loved to please his fans by giving them something new to watch. This is definitely an engaging read.

Beeindruckender Einblick - Impressive Insight  
Von Peer Bille  
Obwohl David Janssen in Deutschland zu Unrecht nicht sehr bekannt ist, war er doch ein faszinierender Schauspieler, der insbesondere durch die Serie "Auf der Flucht" - "The Fugitive" bekannt wurde. Darüber hinaus war er einer der meistbeschäftigten Schauspieler seiner Zeit. Michael Phelps, ein persönlicher Freund des leider viel zu früh verstorbenen Darstellers, gewährt nun in seinem neuen Buch einen beeindruckenden Blick auf den Mensch David Janssen und die langjährige Freundschaft der beiden. Unbedingt lesenswert.

Although David Janssen is not very well known in Germany, he was a fascinating actor, common known in particular through the series "Auf der Flucht" - aka "The Fugitive". He was also one of the busiest actors of his time and unfortunately died way too soon. Michael Phelps, a personal friend of David Janssen, now delivers in his new books an impressive insight into the person David Janssen and his longstanding friendship between them. Definitely worth to read. Thank you Michael for both books.

Wunderbar  
Von C. Mathieu  
Mike Phelps hat zwei wunderbare Bücher über seine Freundschaft mit David Janssen verfasst, die mich gefesselt haben wie seit langem kein Buch mehr. Jeden Abend freute ich mich auf die nächsten ein bis zwei Kapitel. Ich wuchs in den 60er Jahren mit der TV Serie "Auf der Flucht" auf und las in der HOER ZU jeden David Janssen Artikel, der von Karin von Faber veröffentlicht wurde. DJ erhielt 1967 die Goldene Kamera für den beliebtesten ausländischen Fernsehschauspieler, die ihm in Hollywood überreicht wurde, da er nicht nach Hamburg zur Preisverleihung kommen konnte. Filmfans kommen bei diesen zwei Büchern auf ihre Kosten, weil man viele Details über seine Serien, Kinofilme und TV Filme erfährt. Darüber hinaus wird der Leser Zeuge einer sich entwickelnden Freundschaft zwischen dem Schauspieler und dem Autor dieses Buches (1965 - 1980). Es war schön, wenn sich Mike Phelps bei einer Neuauflage dazu entschließen würde, dem Buch mehr Fotos beizufügen.

5 Sterne.  
Mike Phelps wrote two very compelling books on David Janssen that were very hard to put down. Every night I looked forward to reading another chapter or two and almost regretted that I had to get some sleep in-between :). When I started reading the first book, I was hoping to find out a lot more about the making of the TV series "The Fugitive" and DJ's other movie TV productions and Mike Phelps more than fulfilled this interest. What really thrilled me most, was the deep friendship that developed over the years between DJ and Mike Phelps, the genuine interest that each of them displayed for the other. From a big movie television star like DJ I would have expected that all he longs for is admiration, but there was so much more to him. We learn that he was a very skilled actor, but basically a nice, humble and simple guy who wanted to lead a simple life. However, DJ had lots of turmoil in his private life and never married his true soul mate. I can imagine how much having a good friend like Mike must have meant to David Janssen. At least he was able to discuss his problems (and that's a lot more than most people can). Mike Phelps was not only a good listener (a very rare ability these days), he was also genuinely interested in what was going on in DJ's life and film career. As we have a white German shepherd since December, I also enjoyed reading the parts about Baron, Mike Phelps' GSD, very much. And of course it was lovely to find out bits and pieces from Mike's own life over the course of both books. My only wish: that there would have been more photos. When I buy an (auto)biography and have a choice between two different authors, I usually take the one with more photos. Maybe in a 2nd edition Mike Phelps could add a few photos?

"What impresses me is the flavor and cadence of the writing. They were all David. It was a joy to read and brought back so many memories of my own." - Les Lannom, actor  
"I didn't feel like I was reading a book; instead, it felt like I was listening to actual conversations taking place. It was an honor to see the friendship between Phelps and Janssen grow throughout the years." - author, Norma Budden  
Michael Phelps crossed paths with David Janssen, star of The Fugitive TV series, when working security detail at a party Janssen was attending in Los Angeles. Little did either anticipate that one conversation would be the beginning of a friendship which would span 15 years up to the time of Janssen's unexpected passing. Michael Phelps, co-author of David Janssen My Fugitive, written with Ellie Janssen (David Janssen's first wife) was encouraged to write about his friendship with the star. After giving it some thought, Phelps decided to make an attempt at providing Janssen's fans with a glimpse into the heart and soul of David Janssen, the man he was when not in front of the camera's eye. Phelps re-visited hundreds of conversations he and Janssen shared about various subjects including his marriage to, and divorce from, Ellie Janssen; his relationship with Rosemary Forsyth; his thoughts about the people he held close to his heart; his

alleged womanizing and drinking habits; his impressions of the various people he met in the acting business, from producers, directors and writers to the actors themselves; his courtship, marriage to (and planned divorce from) Dani Greco; his thoughts about certain roles and characters he played and a host of other subjects. Alas! David Janssen Our Conversations was born, an undertaking which would take in excess of four years to complete, a memoir in which Phelps shares many of the conversations he and David shared with the world but, especially, David Janssen's fans. This story is told in two volumes because of its length. Be sure to check out the second part of the story, David Janssen Our Conversations: The Final Years.
