Fitting tribute to the best ballpark in the worldVon john thomasWilliam Hartel's affectionate tribute to the "Friendly Confines" of Wrigley Field is a must for any baseball fan, and especially if you've ever been fortunate to watch a game there. Though there are numerous historical photos outlining the history of the old park built in 1914, the bulk of the pictures were taken from dawn to dusk on the same day - June 18, 1993. Loaded with quotes and stories from everyone from Bill Veeck to Ernie Banks and long-time National League Umpire Doug Harvey, this book makes its case that Wrigley is not only the best place on earth to play and watch baseball, but one of the most memorable places to visit for fans of all ages. I read this book on a cold January evening yet when I closed my eyes, I could feel the sun on my face, smell the hot dogs, and hear Ernie Banks saying, "Let's play two!"0 von 0 Kunden fanden die folgende
