Von Arnold Lobel : Days with Frog and Toad (Frog and Toad I Can Read Stories) before purchasing it in order to gage whether or not it would be worth my time, and all praised Days with Frog and Toad (Frog and Toad I Can Read Stories):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. PhantasievollVon teddyduSchn, was die beiden Freunde erleben. Nachvollziehbar und bertragbar auf den Alltag, z. B. die Geschichte von der Liste. Die Stze sind gut zu merken, allerdings bersetzte ich die bisher fr unseren 3,5jhrigen on-the-fly und mu daher aufpassen, immer dieselben Worte zu whlen. Mir gefllt die Aufmachung, sprich das Format der

innen Hefte. Es gibt auch eine deutsche Version von Tilde Michels bersetzt, dann ist es ein richtiges dickes Buch.0 von 0 Kunden fanden die folgende Rezension hilfreich. aus Versehen die Kindle Ausgabe bestelltVon helga weissich bin total verrgert! Habe aus Versehen die Kindle Ausgabe bestellt und kann sie jetzt nicht stornieren! Wollte die Bcher!0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Erstleser-Englisch-Vorlesebuch, das rundum berzeugtVon HannielIch kann es gleich sagen: Was fr ein herrliches Vorlesebuch!Bei manchen Kinderbchern ist die Bebilderung hervorragend, aber du musst dir einen eigenen Text dazu erfinden.Bei anderen sind die Texte solide, aber die passenden Bilder fehlen.Dieses Buch fr Erstleser berzeugt doppelt:Die Grundidee mit den beiden Frschen berzeugt.Jedes ist Bild ist sorgfhtig gezeichnet. Man kann darin verweilen.Die Stze sind einfach konstruiert und beraus klar formuliert,ohne jedoch albern zu werden.Das beste ist jedoch der Plot selbst.Es geht um Tugenden, zeitgemsser formuliert "Charakter",um Selbst- und Fremdwahrnehmung:Frog und Toad erproben Selbstbeherrschung und Mut.Die Geschichten sind nicht zu lange und auch nicht zu kurz,die Kinder atemlos dabei.Ich lasse meinen Fnf-, Sieben- und Neunjhrigen vorlesen.Auch die Iteren stossen dazu.Es tut gut, sich in eine solche imaginative Welt zu begeben.Der Blick auf uns selbst klrt sich dadurch.

KurzbeschreibungFrog and Toad enjoy spending their days together. They fly kites, celebrate Toad's birthday, and share the shivers when Frog tells a scary story. Most of all, they have fun together every day of the year. The classic Frog and Toad stories by Arnold Lobel have won numerous awards and honors, including a Newbery Honor (Frog and Toad Together), a Caldecott Honor (Frog and Toad Are Friends), ALA Notable Childrens Book, Fanfare Honor List (The Horn Book), School Library Journal Best Childrens Book, and Library of Congress Childrens Book. .deThe five simple chapters in Arnold Lobel's Days with Frog and Toad say more about the rewards of friendship than any adult tome ever could. Frog and Toad, the amiable amphibian duo, fly kites, clean house, and tell ghost stories together. And, in a surprisingly sophisticated, yet perfectly easy-to-grasp, segment, they even learn about the value of being alone. Frog is ever-so-slightly more sagacious than Toad; his gentle and supportive way with his chum shows that personal variances don't have to get in the way of friendship. On the contrary: vive la difference! Arnold Lobel's illustrations in warm frog and toad tones create the perfect atmosphere for this wise and touching early reader, an ALA Notable Children's Book. Lobel has created four "Frog and Toad" stories for the "I Can Read" books, an immensely popular series with large type, abundant illustrations, and ample spacing that first launched with Else Holmelund Minarik's Little Bear. Fans of the foot-flapping friends won't want to miss Frog and Toad Are Friends (a Caldecott Honor book); Frog and Toad Together (a Newbery Honor book); and Frog and Toad All Year (an ALA Notable Children's Book). Children will be overjoyed to spend an evening--or days on end--with these affectionate friends. (Ages 4 to 8). --Emilie Coulter.comThe five simple chapters in Arnold Lobel's Days with Frog and Toad say more about the rewards of friendship than any adult tome ever could.
