A very good oneVon PiusThe Dead Eye by Mark Greaney is a well written book with great characters and an amazing plot. I like adrenaline driven stories,and this is one piece that kept me going all the way to the end. The great thing about this story, like Triple Agent Double Cross, is the fact that it keeps spinning the reader with surprises while the story line

stays focused, making it a page-turner that is sophisticated but not complicated. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Very good Von Kindle-Kunde Once you start reading, it is hard to lay the book aside. Permanent thrill guaranteed, although the action is sometimes a bit too exaggerated and too close at Hollywood fiction. nevertheless, 5 well deserved stars... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great! Von Mike This is a page turner that kept me awake at night. The story is well established and packing. It will certainly not be the last Gray Man novel that I read.

Kurzbeschreibung Ex-CIA master assassin Court Gentry gets hit with a blast from the past in the fourth Gray Man novel from #1 New York Times bestselling author Mark Greaney. Court Gentry has always prided himself on his ability to disappear at will, to fly below the radar and exist in the shadows to survive as the near-mythical Gray Man. But when he takes revenge upon a former employer who betrayed him, he exposes himself to something he's never had to face before: a killer who is just like him. Code-named Dead Eye, Russell Whitlock is a graduate of the same ultra-secret Autonomous Asset Program that trained and once controlled Gentry. But now, Whitlock is a free agent who has been directed to terminate his fellow student of death. He knows how his target thinks, how he moves, and how he kills. And he knows the best way to do the job is to make Gentry run for his life right up until the moment Dead Eye finally ends it...
Pressestimmen Praise for Dead Eye The various moves of each of the skilled and ruthless principals play out against a constantly shifting background of changing goals and allegiances. Fans of superhuman antiheroes will hope the Gray Man survives to fight another day. Publishers Weekly More praise for the Gray Man novels Hard, fast, and unflinching exactly what a thriller should be. #1 New York Times bestselling author Lee Child Bourne for the new millennium. New York Times bestselling author James Rollins Writing as smooth as stainless steel and as mean as razor wire. New York Times bestselling author David Stone The story is so propulsive, the murders so explosive, that flipping the pages feels like playing the ultimate video game. The New York Times A high-octane thriller that doesn't pause for more than a second for all of its 464 pages. Chicago Sun-Times Take fictional spy Jason Bourne, pump him up with Red Bull and meth, shake vigorously and you've got the recipe for Court Gentry. The Memphis Commercial Appeal
