I spent 8 years practicing yoga under a guru. I've met and meditated with many a so-called "enlightened" spiritual teacher. I read this book during that time of my life and couldn't believe how accurately it described my experiences. I know from

personal experience that what is told in this book is true. There is a great difference between what is taught about mysticism and the truth. (Mysticism = the teaching that one can attain union with God through spiritual contemplation and self surrender.) This book does a great job of exposing the underlying truth that most don't discover because they don't go looking for it.2 von 2 Kunden fanden die folgende Rezension hilfreich. AN HONEST ACCOUNT OF ONE MAN'S SEARCH FOR TRUE GOD !Von Ein KundeTHE BOOK IS REALLY POWERFUL. EITHER YOU ARE INSPIRED BY THE ACCOUNT OF MAHARAJ'S EXPERIENCES, OR YOU FEEL BETRAYED. IN EITHER CASE, THIS BOOK WILL LEAVE A STRONG IMPRESSION. IF YOU READ THE BOOK WITH AN OPEN MIND YOU WILL BE CONVINCED THAT LOVE IS MORE POWERFUL THAN FEAR(WHICH IS USED FOR EXPLOITATION) AND DOMINATION. THE AUTHOR'S ABILITY TO CAPTURE THE ATTENTION OF THE READER IS REMARKABLE. THIS IS INDEED A GREAT BOOK.2 von 2 Kunden fanden die folgende Rezension hilfreich. The truth can be known!Von JohnThis book is a quick read and a gripping account of a man searching for God. What a testimony to the power of the name of Jesus Christ. Thank you Rabi for sharing your life with us. I highly recommend this book.

KurzbeschreibungRabi R. Maharaj came from a long line of Brahmin priests and gurus and trained as a yogi. He meditated for many hours each day, but gradually disillusionment set in. He describes Hindu life and custom, vividly and honestly tracing his difficult search for meaning and his struggle to choose between Hinduism and Christianity. At a time when Eastern mysticism, religion, and philosophy fascinate many in the West, Maharaj offers fresh and important insights from the perspective of his own experience. A unique revelation of the inward struggles of a Hindu and the ultimate triumph over death that he discovered. I found it challenging and inspiring. Must reading. Hal Lindsey
