Von Gary Birch : Definitive Golf (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Definitive Golf (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. HochinteressantVon christian fischerHier wird dieses Spiel dem wir Spieler so verfallen sind von allen mglichen Blickwinkeln nhergebracht, verstehen und lieben wird es man ab dem Moment ab dem man diesen Ball zum ersten

Mal RICHTIG getroffen hat. Definitive Golf kann dazu helfen !0 von 0 Kunden fanden die folgende Rezension hilfreich. Must have fr Golffreaks Von Pirkhammer fundierte Analyse des Golfspiels , sehr informativ, auch psychologische Aspekte werden eingebunden. Es wird klar warum sich der grte Teil dieses Sportsim Kopf abspielt

Kurzbeschreibung Definitive Golf, does exactly as it states. A radical approach to addressing golf instruction, and receiving golf instructional information. Explanations which combine using latest technology to offer you the opportunity, whilst reading the text, to be able to view images and videos including visual and audio explanations from within the book's content to you directly, as you are reading. Taking traditional applications of instructional material, which with sound reasoning and supportive material from many, many sources within varied fields of study and science. We will let you see for yourself after careful consideration, they did not work because they could not work, the information is not workable, this is why you have experienced problems or experienced a 'flat line' with your golfing progress. This single statement is attributable for between 75% 90% of all golfers of the world for experiencing a 'Slice!' (undesired?) Definitive Golf has been structured with extremely detailed content, mixing in some lighter material for relaxed unchallenging reading. The intent is for Definition Golf, for each of it's golfers and readers to be able to study a subject close to their hearts, which is clearly explained for every golfer to be able to follow, consider, understand and apply. Definitive Golf will offer you a comparable challenge with that of playing golf. One thing is for sure though, you will never slice again, never! Definitive Golf does not promise to eradicate any golfing problems you may have developed which have become 'habits', to do so would be to throw our hat in the ring with all that has gone before within the golf instructional, golf improvement market. Within Definitive Golf you are only needed to follow the information flow, and when asked to do something actually 'do it', we give you the required 'What, How When', what it is which is necessary that is needed to be done with both your 'Brain' your 'Golf club', and not forgetting your golf ball. This book is the first in a series, which will define for you exactly what you need to do. What you get personally out of this book, will depend upon what you put into reading it, then applying yourself to the task in hand on the practise tee box. A quote from an extremely good golfer: Golf is not game of good shots, it is a game of bad shots! By the time you have completed reading or perhaps more appropriate would be the selection and use of the word 'studying' Definitive Golf you will clearly understand the merits of this statemnt made by 'Ben Hogan'. What Definitive Golf will set out for you is an absolutely sound foundation, from which you will be able to expand your own personal understanding as the information on offer to you within Definitive Golf opens up. With easy to cross refer applications, easy accessible videos with audio explanations which synchronise with the text, enabling you to read, watch and hear and then go and try for yourself, actually you are doing the work, you are establishing your own functioning golf model, for you, by you! You will be challenged of this there is no doubt, but then this said, what is a challenge for something that is worthwhile? Definitive Golf.
