result of meticulous (often painful and dreary) planning, revision and execution. But when greatness happens and Derek Jeter is a great player on one of the all-time great Yankee teams the results are dazzling. Author Patrick Giles has succeeded in delivering the dazzle in this hot new bio of Yankee superstar shortstop Derek Jeter. He delves into the Derek Mystique--why he is a favorite of young fans (many of them young women), fellow players and the most hardened baseball watchers. Giles follows Jeter's upbringing in Michigan, his early successes (and failures) in the minor leagues and his eventual stardom on a World Championship ballclub and, in 1998, one of the greatest teams of all time. But this is not just a baseball story. It's a story about celebrity, the ups and the downs of being in the public eye. Giles shows how young Jeter has worked to prepare himself for his success, to avoid being a flavor of the month (even if that means keeping a certain pop diva at arm's length). Derek Jeter: Pride of the Yankees is as interesting, as inspiring, as entertaining and, yes, as hot as its subject! 0 von 0 Kunden fanden die folgende Rezension hilfreich. For "Teenie-Boppers" not adults Von Ein Kunde The first 6 chapters are ok....but the information is very repetitive...from chpt 7 on is for hormonal little girls. The book does chronicle Derek's life but the author could not find enough material to fill the book...it repeats through the book, a teenage girl would love this book, a person who is a baseball fan will find this painful, a Jeter fan can get through it. Derek Jeter: A Yankee for the New Millennium is a much better book for baseball fans over the age of 17. 0 von 0 Kunden fanden die folgende Rezension hilfreich. My Thoughts On This Book Von Jenna DI really enjoyed reading this book. I would definitely recommend it to anyone who is curious about Derek Jeter. It gave out a lot of new and interesting facts about him that I didn't know. Whenever I read a chapter, I thought that the book was so good that I had to keep on reading it. I am 11 and I do not think it was my age level though. It was a little confusing, but very interesting!

Kurzbeschreibung Derek Jeter-the Yankees shortstop who isn't short on talent, looks, or heart.
