Von Gregory Page, Paul Gary : Phantom Lady (Knights Of The Crooked Cross Book 13) (English Edition)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Phantom Lady (Knights Of The Crooked Cross Book 13) (English Edition):

Eine der ersten Superheldinnen des Golden Age mit toller Good Girl ArtVon Michael CollinPhantom Lady war in den 40er Jahren eine der ersten weiblichen Superheldinnen des Golden Age. Nicht nur der Slogan "Day or night, wherever crime may strike, she is there. Phantom Lady, beautiful and deadly" erinnert ein wenig an Green Lantern, sondern

auch ihre (Schwarzlicht-)Lampe, die mich an den Spruch "Schwarzes Licht macht helle Rume dunkel" erinnert. Die Stories sind nach heutigen Mastben zwar nicht wirklich berzeugend, aber die Good Girl-Art von Matt Baker ist durchgehend berraschend stark und gefllt mir besser als viele andere Zeichnungen aus der ra. Die Seiten sind ungewhnlich innovativ gestaltet und die Panels "charmant". Obwohl der Band preiswert ist, ist die Wiedergabe der Zeichnungen erstaunlich gut.

Kurzbeschreibung This is a digital scan of "The Phantom Lady" as published in 1947 by Fox Feature Syndicate. It has carefully been restored to reduce signs of ageing, and to make the colours as vibrant and clear as if it had been printed today. The book includes following stories: The Beauty and the Brain! (12 pages) Tersa Thorn has a robot of Sandra Knight built, and then uses it to frame the real Sandra Knight, in order to get revenge for Senator Knight sending her son to the electric chair. Mystery of the Hidden Jewels (2 pages) Knights of the Crooked Cross (8 pages) A group of ex-Gestapo men steal the invention of Professor Harper that can put every radio station in the country out of commission, and they request Senator Knight go to a certain address if he is interested in discovering the reason for the radio dimout. But Phantom Lady intercepts the note and investigates herself. The Murder of Roger Medlo (2 pages) Inspector Roc solves the murder of Roger Medlo. The Mummy Who Never Died! (9 pages) An archaeologist brings a mummy to life. Kurzbeschreibung This is a digital scan of "The Phantom Lady" as published in 1947 by Fox Feature Syndicate.
