**Von Harriette Fields : Phonics for the New Reader (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Phonics for the New Reader (English Edition):

Kurzbeschreibung Phonics for the New Reader is now available on Kindle Fire! This book will help you to deliver clear and simple phonics instruction to pre-schoolers through adults. English as a second language learners will also benefit from the clear and simple instruction in this book. The logical progression of the text in Phonics for the New Reader allows your new reader to master the skills of one lesson and confidently move on to the next lesson. Your new reader will practice building one-syllable, short vowel words and learn how to turn short vowel words into long vowel words. After learning many special words and exceptions to the rules of phonics, your new reader will progress to making new sounds using consonant, vowel, special vowel and vowel-consonant combinations. Lesson 1 - Letter Names, Shapes Sounds Lesson 2 - Short Vowels Lesson 3 - Long Vowels Lesson 4 - Special Words Letters Lesson 5 - Reading Consonant Combinations Lesson 6 - Reading Vowel Combinations Lesson 7 - Special Vowel Combinations Lesson 8 - Reading Vowel-Consonant Combinations Kurzbeschreibung Phonics for the New Reader is now available on Kindle Fire! This book will help you to deliver clear and simple phonics instruction to pre-schoolers through adults.
