**Von Alexander White : Photographer's Guide to the Panasonic Lumix LX5 (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Photographer's Guide to the Panasonic Lumix LX5 (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Bedienungsanleitung, aber nichts weiteresVon lichtloperDas Buch ist eigentlich eine einleuchtende Ausgabe der 'offiziellen' aber kaum lesbaren PDF-Bedienungsanleitung: es behandelt im Klartext die Bedienungselemente, Mens und 'Features' der LX5 in einer verstndliche 'narrative' Weise mit Vorbildfoto's.Es bietet vor allem praktische

Erluterung; kreative Anstze sucht man lieber irgendwo anders.lichtloper

KurzbeschreibungThis book is a comprehensive guide to the features and operation of the Panasonic Lumix LX5 digital camera. With more than 150 illustrations and photographs and 267 pages, the book gives beginning and intermediate users of this advanced camera complete guidance on how to use the sophisticated Lumix LX5 to achieve great results in a wide variety of photographic situations, ranging from everyday snapshots to infrared photography, astrophotography, and street photography.
