**Von Bob Krist : PhotoSecrets Travel Photography (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised PhotoSecrets Travel Photography (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Super TippsVon MMNirgendwo findet man eine solch gute Ansammlung von Tipps fr Digital- und Reisefotografen. Zwar nur auf Englisch, aber leicht verstndlich geschrieben und unterhaltsam zudem.Danke, Bob!

KurzbeschreibungPublisher's note: This "small file" version should download quicker, but the photos are more compressed. It was coded in 's AZW (mobi) format. For the EPUB version, see ISBN 978-1-930495-52-4 (\$9.99).30 years of experience in one book!Learn the secrets of professional travel photography without going through the school of hard knocks!You'll pick up invaluable tips on how to: Meet and photograph people Make exciting compositions Plan assignments Overcome language barriers Master digital photography on the road Sell your photosAll this and more from Bob Krist, contributing photographer at National Geographic Traveler and Islands magazines and "Photo Traveler" columnist for Outdoor Photographer magazine.Features include: Over 180 display pages 60 photos Over 70 links to external websitesEnjoy!
