All You need to know about Phuket - and updated, too!Von Miki101.Micha If You have read the sinossi well, You know yet a lot about the island of Puhket.Now try and buy this Kindle booklet full of all the information You need to know about the island of Puhket.It's a little price for this file, able to satisfy Your curiosity about this most vibrant place lying in the Andaman Sea in front of Southwest Thailand.I have bought it - together with more Kindle books about other interesting places all around the "Land of the Free" or the "Land of Smiles", other names often used for this beautiful place under the sun, which is Thailand - and never ever regretted it!The most interesting of the Kindle books is for sure Thailand 2012-2013!A real help for all the friends of this friendly country and its people!0 von 1 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungLocated 867 kilometers south of Bangkok, Phuket is Thailand's largest island, shaped like an irregular pearl and measuring approximately 21 kilometers long. Connected to the mainland by a causeway, it has a coastline fringed with white sandy beaches and quiet coves, bathed by the clear blue waters of the Andaman Sea and set against a backdrop of green hills, coconut groves and rubber plantations.Phuket formerly derived its wealth from tin and rubber, and has a rich and colorful history. The island was on one of the major trading routes between India and China, and was frequently mentioned in foreign ships logs. The Portuguese, Dutch, English and French came to trade during that time.KurzbeschreibungLocated 867 kilometers south of Bangkok, Phuket is Thailand's largest island, shaped like an irregular pearl and measuring approximately 21 kilometers long.
