Von Franz Seidenfuss : Pictionary - a visual dictionary of English: a whole new look at the English language (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pictionary - a visual dictionary of English: a whole new look at the English language (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Beautifully crafted pictures and good structureVon Ralf SpinozaMany dictionaries of that kind are too detailed and extensive. This book is oriented more on everyday use and foregoes unnecessary details so you only get what you really need. Most of the 1,500 most used words in visual content, concise and to the point. Your daily companion for more efficient English studies.

KurzbeschreibungDiscover the power of pictures.A picture says more than a thousand words. A picture is like a window to your mind.Scientists have known for a long time that our mind processes information in pictures. Therefore, using pictures to memorize vocabulary is the fast track of language learning. Boost your studies with pictures: See and feel the difference.This visual dictionary provides most of the 1.500 most used words in English in visual content. Try it. It's fun and it's efficient.KurzbeschreibungDiscover the power of pictures.A picture says more than a thousand words.
