The Basics Of Deliverance.Von Victor Hugo conceptionI consider Pig's in the Parlor as a guideline for those who are just starting to learn the ministry of deliverance. Frank Hammond covers the basics of deliverance such as:1.Areas where demons attack... a.Soul: 1.The mind. 2.Will 3.Emotions. b.Body: *Sickness,death,etc. He also writes how demons gain entrance in these areas in a person's life just previously mentioned. Such as,sin:Omission and commission;Items that attracts demons;An event in a person's life:(trauma). He also briefly writes on controversial issues such as,can a Christian have demons? And also a guide list of demon groups. I recommend it to all the brethren that are new in the deliverance ministry. "A Spiritual Guide to the Unseen Spiritual Realm"Von Ein KundeThis is a profound work for a mature person, for the inquisitive, for the wondering, for those who are involved with deliverance of addictive behavior. This is one of the best books around to educate a spirit filled person on demonic activity. This compilation of interesting helps and hints is easy to read, is well laid out, is a superb sourcebook.The person who will benefit is the one who has some spiritual insight and believes they are a soldier in a universal battle against the work of the dark ones.A book you will reread. A book that you will use as a reference. A book that you will consider "One of the best books I ever read."1 von 1 Kunden fanden die folgende Rezension hilfreich. informative and practicalVon BlackberryHunterThis book was a real eye-opener for me in the realm of spiritual activities. I read it at the encouragement of some ministers in the area of deliverance who visited our church. I was captivated by the illustrations of the authors experiences,enlightened by the lists of demonic titles and 'groupings', and very interested in the application/prayer suggestions. I also appreciated the many places the authors encouraged the reader. The Power in us is mightier than the rulers of this world. My copy is well marked and dog-eared, and I expect to be using it often in the future.

KurzbeschreibungFrank Hammond explains the practical application of the ministry of deliverance, patterned after the ministry of Jesus Christ. He presents information on such topics as: How demons enter When deliverance is needed Seven steps in receiving ministering deliverance Seven steps in maintaining deliverance Self deliverance Demon manifestations Binding and loosing Practical advice for the deliverance minister Answers to commonly asked questions, and more.The Hammonds also present a categorized list of 53 Demonic Groupings, including various behavior patterns and addictions. And they include testimonies of deliverance throughout the book including Pride, Witchcraft, Nervousness, Stubbornness, Defiance, Mental Illness and more.With over 1 million copies in print worldwide, and translated into more than a dozen languages, Pigs in the Parlor remains the authoritative book on the subject of deliverance.KurzbeschreibungFrank Hammond explains the practical application of the ministry of deliverance, patterned after the ministry of Jesus Christ.
