KurzbeschreibungYou're belted into a middle seat with burly businessmen on either side. It's 92 degrees in the cabin and someone forgot to use deodorant. A baby screams. A kid kicks the back of your seat. After two hours you haven't even left the taxiway. Welcome to modern airline travel! In Plane Insanity, Elliott Hester delivers stories that could only come from someone who "rides tin" for a living-a flight attendant. You'll hear about:* the passenger from hell* a smuggled python* prostitutes working the lavatories* a riot in coach-class* a heist* the anatomy of a carryon bag* a malodorous couple* the Mile-High Club * and more!Fasten your seatbelts. After Plane Insanity, you'll never think of air travel the same way again..deIt's hard to believe that the stories in Plane Insanity, the hilarious book by Elliott Hester, are true. But they are. Before you read even a single page, you know you're in for a wild ride just from the subtitle: A Flight Attendant's Tales of Sex, Rage, and Queasiness at 30,000 Feet. Hester has encountered just about everything in his 15 years of flying the skies or "riding tin," and he recounts these laugh-out-loud encounters with plenty of attitude and self-deprecating humor. Not to spoil the fun, but a few juicy tidbits include Hester as the hapless victim of a child's projectile vomit, chasing a sparrow around the cabin, mistakenly putting a woman on the wrong flight, and recalling the unfathomable account of an inebriated man defecating atop a liquor cart, to the horror of passengers and crew. Just when you think the stories can't get anymore outlandish he outdoes himself with the titillating antics of amorous couples who vie for membership in the infamous Mile High Club. And did our Mr. Hester himself ever become a member of this elite club? You'll have to read the book to find that out. Believe me, you'll be glad you did--this is the one of the year's funniest reads. --Jill Fergus.co.ukIt's hard to believe that the stories in Plane Insanity, the hilarious book by Elliott Hester, are true.
