Von Nasser Hussain : Playing With Fire: The Autobiography before purchasing it in order to gage whether or not it would be worth my time, and all praised Playing With Fire: The Autobiography:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A book worth readingVon Ein KundeThis book is a must for cricket fans. It follows Nasser Hussain's life and career since childhood. The writing is illustrated with good photos and there is a useful list of facts and figures. You get a feeling

of sincerity throughout. It is a real person you meet in the book, not an idol you cannot reach. This book makes fascinating reading, it did for me!

Kurzbeschreibung Nasser Hussain was acclaimed as England's best cricket captain since Mike Brearley. Under his leadership, a side more famous for its batting collapses and ability to seize defeat from the jaws of victory discovered its backbone. With coach Duncan Fletcher he put some steel into the side; they became a difficult team to beat. Hussain wore his heart on his sleeve: railing against complacency, defying critics of his place in the batting line-up and making a principled stand at the last World Cup when the ECB seemed incapable of it. Expect passion, integrity, insight and candour in his eagerly awaited autobiography.

Synopsis Based on simple, everyday gardening, this book demonstrates the technique of growing and displaying bonsai in sequences of step-by-step illustrations, applying them to a selection of bonsai. It covers growing from seed, cuttings, garden centre plant and even shrubs from the garden. There are clear instructions on techniques, and advice is included on tools and equipment, as well as pests and diseases.
