KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An excellent grammar reviewVon John J. DvorskeThis book is especially helpful for those who have completed at least their first year of learning Polish. It is a good review of most of the basic grammatical structures a learner needs for comprehending this difficult language. The book's only short-coming is its sometimes confusing organization. A frequent user, as I am, may have to resort to tabbing some of the pages.
