Von Polly Whittaker : Polly: Sex Culture Revolutionary (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Polly: Sex Culture Revolutionary (English Edition):

Kurzbeschreibung "Raw, untamed, emotional beauty-Polly is a true supernova. This memoir is as touching as it is hot, as moving as it is a masterpiece." Margaret Cho, Comedian. Polly has lived three lives: A rebellious latex fashion designer with a penchant for dancing on tables, an irrepressibly optimistic social innovator with a mad plan to save the world, and a lonely girl defined by the death of her father. This powerful memoir, told with great honesty and sharp humor, vividly captures the failures and triumphs of a young woman struggling to understand the meaning of her own existence, while pursuing her dreams to effect cultural change. This is a true story from the edge of modern sex culture, where the liberal ideals of millennial relationships clash not just with society, but even within our own hearts.
