Von Roosh V : Poosy Paradise (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Poosy Paradise (English Edition):

Kurzbeschreibung Roosh's search for girl paradise led him to a grisly city in Eastern Romania that had a plentiful supply of beautiful girls. It's a place that no sane man would voluntarily live in had it not contained the best fruit of what the human female species can offer. After blanketing Romanian television and newspapers as the "famous American sex writer" and a "world Don Juan," Roosh was determined to leverage the temporary fame with his existing game to experience nonstop pleasure with the world's most beautiful women. The result was not exactly what he expected. In this book you'll find: Dozens of first-hand accounts of what it's like to romance girls in Romania; Roosh's latest moves and techniques for meeting women; Important commentary on how big of a role finding girl paradise is for the lives of modern Western men; Poosy Paradise is the true story of Roosh's two month adventure in Eastern Romania, a place where he believed all his romantic dreams would come true.
