bndig und informativ Von protopeter Der Autor des vorliegenden Buches schafft es, dem Leser Jorge Mario Begoglio

(alias Papa Francesco, Pope Francis oder Papst Franziskus) in den diversen Facetten seines Lebens und Wirkens darzustellen. Hierzu geht eben nicht nur eine Biographie des neuen Papstes, sondern auch ein Aufzeigen seiner Standpunkte zu Familie, Empfängnisverhütung, Homosexualität, sozialen und ökonomischen Fragen und der Todesstrafe. Wenngleich das Buch mit gerade einmal 90 Seiten als nicht unbedingt quantitativ herausragend zu sehen ist, entspricht es in qualitativer Hinsicht durchaus den Erwartungen, die an eine solche Schrift, deren Erscheinen nur wenige Tage nach der Wahl von Papst Franziskus liegt, gestellt werden können oder betrifft sie sogar in mancher Hinsicht. Insbesondere positiv überraschen dabei die bibliographischen Angaben, die naturgemäß in erster Linie auf Webseiten verweisen; unter den zitierten Bchern befindet sich dann jedoch auch Bergoglios 2010 herausgegebene, quasi "offizielle" Biographie, die unmittelbar nach seiner Wahl zum Papst wiederaufgelegt wurde und im Laufe der nächsten Wochen wohl in verschiedenen Übersetzungen (darunter auch in Deutsch) erscheinen soll. Alles in allem - ein lesenswertes Bchlein, das einen ersten, keineswegs oberflächlichen Eindruck über den argentinischen Pontifex hinterlässt; der Autor konzentrierte sich auf das Wesentliche der Vermittlung von Informationen und Tatsachen ohne dabei in Spekulationen und Mutmaßungen zu verfallen - eine Versuchung, der gerade bei einem solchen Thema die zahlreichen, oftmals selbsternannten "Experten" nur schwer widerstehen können.

Kurzbeschreibung On March 13, 2013, at 7:06 pm (Central European Time), white smoke was spotted rising from the chimney of the Sistine Chapel where the conclave was being held. It could only mean one thing -- a new pope had been chosen to lead the Catholic Church. Although many did not know the name of Jorge Mario Bergoglio, the Cardinal from Argentina, as he was not predicted to be the new pope by any of the analysts or even administrators of the church, the world quickly began to praise him for his extremely humble attitude and straightforward manner. News headlines exploded with information about the first non-European and first Jesuit pope in the history of the church, and Latin Americans rejoiced at finally having significant representation in the church hierarchy. This biography will follow Bergoglio's ancestors as they travel by ship from Italy to Buenos Aires, explore Jorge's career as priest, bishop, and later cardinal, delve deep into his beliefs and opinions about the world and the state of the church, as well as attempt to predict how this man from humble beginnings will help shape the Catholic Church in the future. LifeCaps is an imprint of BookCaps Study Guides. With each book, a lesser known or sometimes forgotten life is recapped.
