Georgia O'keeffe is a true American treasureVon Ein KundeHaving just seen the Georgia O'keeffe exhibition at the Phillips Gallery in Washington, DC, I had to run out and buy a biography to learn more about this incredible artist. This book gives deep personal insight to Ms O'keeffe's life and work.

KurzbeschreibungGeorgia O'Keeffe, one of the most original painters America has ever produced, left behind a remarkable legacy when she died at the age of ninety-eight. Her vivid visual vocabulary -- sensuous flowers, bleached bones against red sky and earth -- had a stunning, profound, and lasting influence on American art in this century.O'Keeffe's personal mystique is as intriguing and enduring as her bold, brilliant canvases. Here is the first full account of her exceptional life -- from her girlhood and early days as a controversial art teacher...to her discovery by the pioneering photographer of the New York avant-garde, Alfred Stieglitz...to her seclusion in the New Mexico desert, where she lived until her death.And here is the story of a great romance -- between the extraordinary painter and her much older mentor, lover, and husband, Alfred Stieglitz.Renowned for her fierce independence, iron determination, and unique artistic vision, Georgia O'Keeffe is a twentieth-century legend. Her dazzling career spans virtually the entire history modern art in America.PressestimmenJoyce Carol Oates Fascinating...filled with riches...what a personality emerges from these pages!Chicago Tribune Readers will welcome what Lisle has found. The woman who emerges has extraordinary personal stature, artistic gifts, commitment to her vision.San Francisco Chronicle An excellent portrait of a nearly legendary figure.Patricia Bosworth Portrait of an Artist moved me deeply -- I can't remember when a book involved me so totally.Christian Science Monitor This O'Keeffe will shock as much as amuse, chill as much as inspire.Eleanor Munro author of Originals: American Woman Artists Laurie Lisle has given us a mortal Georgia O'Keeffe, whose human hunger and frailties, gifts and strengths enabled her to survive -- triumphantly -- a conflicted life.KurzbeschreibungGeorgia O'Keeffe, one of the most original painters America has ever produced, left behind a remarkable legacy when she died at the age of ninety-eight.
