**Von Jane Nelsen, Lynn Lott, H. Stephen Glenn : Positive Discipline in the Classroom, Revised 3rd Edition: Developing Mutual Respect, Cooperation, and Responsibility in Your Classroom** before purchasing it in order to gage whether or not it would be worth my time, and all praised Positive Discipline in the Classroom, Revised 3rd Edition: Developing Mutual Respect, Cooperation, and Responsibility in Your Classroom:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This book is great for anyone who works with kids!Von Ein KundeAs a student teacher, I was very afraid of entering a classroom in which many of the students had been refered to as psychotic animals. I frantically searched for any source I could find to help me learn how to deal with these studetns. My mentor teacher suggested that we read this

book, and together we implemented the program as described in *Positive Discipline in the Classroom*, and I must admit that the animals have metamorphosed into controllable students! This book has great ideas, explained in detail, and it really works. I have already recommended this book to many other people in the teaching profession.

0 von 0 Kunden fanden die folgende Rezension hilfreich. Problem solving between teachers and students

Von Karen Goodman

The strength of this book is the obvious numerous experience the authors have had with real life situations of the class meeting. Our principal has encouraged the faculty to read this and be ready to implement this in our classes if we so choose. I have held meetings before and did see some good results, but I didn't feel I had the time to do them daily. I think with the support I'll have this time, I'll manage to hold them daily.

Von Jeanene D. Lentini

After reading this book, I new I had some new "tools" to work with in character development for my students. You can "teach" an experienced teacher new tricks. Helping children to be responsible citizens in and out of school is just as valuable as reading and writing lessons. This book was easy to read, and the "how to" was clear. I plan to start the class meetings the first week of school.

**Kurzbeschreibung** The Acclaimed Bestseller That Can Improve Your Classroom Experience Forever! Over the years, millions of parents have come to trust the classic *Positive Discipline* series for its consistent, commonsense approach to child rearing. Hundreds of schools also use these amazingly effective strategies for restoring order and civility to today's turbulent classrooms.
