Von Brian Sparks : Positive Impact Golf: Helping Golfers to Liberate Their Potential before purchasing it in order to gage whether or not it would be worth my time, and all praised Positive Impact Golf: Helping Golfers to Liberate Their Potential:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
BefreiendVon heinz fehringBesonders geeignet fr den Hobby Golfer und es bildet den Gegenpol zur blichen sehr

technisch komplizierten Vorgehensweise der meisten anderen Autoren.

KurzbeschreibungThis is the golf book anyone who plays the game must read. It will declutter your mind and free you to develop your own potential at whatever level you play, weekend amateur through to young aspiring tour player. Brian Sparks, a British PGA Pro since 1967, helps you to demystify all of the standard golfing jargon and show you how easily you can swing a golf club and hit a ball. This book is the natural antidote to the over-complex, mechanical way that most golf teachers now think you need to be able to improve. Scientific research now proves that this is not the way we learn. After showing you the power of traditional misconceptions about the golf swing Brian goes on to give you simple advice about how to cope with the bad shots this game will always throw your way. It is easy to understand and will prove to be the best purchase you ever made for your game. Although essential reading for all golfers it is particularly valid for women and for any man in the senior division. For you, it will take a lot of the unnecessary effort away from your game and leave you able to play 18 holes and go on to play another 9 with a smile on your face!
