Wonderful little bookVon Ein KundeWith more spreads than I've ever seen in one book, ranging from one to twenty four cards, this is the best book on tarot spreads out there. I've only had this book for about two days but I have gained insight into a lot of situations using this book. I've read that some people think the card descriptions are not very accurate but I totally disagree. They are broken down into categories to be better understood and are very helpful. Buy this book!

Those interested in learning the meanings of the cards would be better served by Louis' TAROT PLAIN AND SIMPLE or Kaser's TAROT IN TEN MINUTES. However, for the more experienced reader of the Tarot, POWER TAROT offers challenging and intriguing new spreads. Beyond the traditional Celtic cross readings, the spreads and layouts are challenging, interesting, and fresh approaches to this ancient art of divination. While there is a section on the meanings of the individual cards, it is too brief, and supposes some knowledge on the part of the reader. But for the reader comfortable the Tarot symbols and interpretation, the spreads in POWER TAROT offers innovation and room for growth. Well written, easy to read, and lavishly illustrated, POWER TAROT is an excellent addition to the divination library

The authors' definitions of the cards are refreshing and clear. I like the way the authors conveyed the spirituality of the tarot while at the same time providing easily understandable definitions that are easy to relate to readings. I do agree with some of the other reviewers that someone just learning might want a book containing more in-depth meanings including reversed meanings. My favorite part of this book are the wonderful variety of spreads. I think the authors covered an extensive variety of questions and situations. I would definitely recommend this book to the beginner and experienced reader alike. The book is worth owning for the great spreads alone.

KurzbeschreibungReading the cards has never been easier, even if you've never done a spread before!With more than 100 spreads to choose from, Power Tarot offers experienced and novice readers alike innovative and accurate ways to get answers to their most pressing questions on romance, work, finances, health, and spiritual growth. From the single card "Yes/No" draw, to the comprehensive twenty-four card spread of the Double Horoscope, from the traditional Celtic Cross to the Past-Life Spread, you will find spreads to answer particular questions, while others describe more general situations. Writing in plain English, authors Trish MacGregor and Phyllis Vega give you information on the meaning of each card in the tarot deck (no matter which deck you use), both in general and as the card relates to specific issues. There are tips on how to determine the time frame of an event, exciting insights into traditional interpretations, and easy-to-follow diagrams for the position and meaning of the cards in each spread.
