Don't scry for meVon BernieDecades ago, I took classes and hypnosis at the Fort Worth Institute of Hypnosis. One of the courses was on Crystallomancy. However, we did cover several other subjects that are in this book. We dealt with past lives, out of body experiences, etc.I have a hard copy of this book in my library near my crystal ball mounted on a black velvet cloth. I still periodically dabble in scrying for the fun of it. You will find it easy to do and quite addictive.For such a small book, this is packed with a lot of great information, some of the practical some of that

informative but all of it useful especially if you are watching movies that tout any kind of psychic phenomena or capabilities. It is divided into easy to read chapters dedicated to the different skills and clarifies terminologies. If you find yourself reading books by Sax Rohmer, Alice Hoffman, or the like, you will want to read this book first. It is even useful for such movies as "Vibes" (1988) with Cyndi Lauper. I also keep an electronic version to refer to when I am on the go.

KurzbeschreibungHardPress Classic Books SeriesKurzbeschreibungHardPress Classic Books SeriesSynopsis"New Thought" adherents at the turn of the 20th century vehemently believed they could tap into latent and mysterious mental powers, and one of the most influential thinkers of this early "New Age" philosophy offers here, in this delightfully weird 1908 work, a crash course in this benign and useful magic. You'll discover . . . how to see through solid objects . . . how to diagnose hidden disease . . . how to peek into a person's secret history . . . how to travel by astral projection . . . how to see into the past . . . and more. American writer WILLIAM WALKER ATKINSON (1862-1932) was editor of the popular magazine New Thought from 1901 to 1905, and editor of the journal Advanced Thought from 1916 to 1919. He authored dozens of New Thought books under numerous pseudonyms, some of which are likely still unknown today, including "Yogi Ramacharaka" and "Theron Q. Dumont."
