KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A practical guide on how prayer can change your marriage.Von Ein KundeAny marriage could benefit from this book,

and I also recommend it to those about to enter into marriage. I consider the book as an investment in one of the most important areas of life. The forthrightness and honesty of this book give hope and direction for marriages in trouble or for anyone who wants to improve their marriage. The author, Ron Auch, explains how prayer can change your marriage and how to pray to change your marriage. Written in a style that is easy to follow and understand, this book addresses the problems of today's marriages and provides teaching on how to pray about different areas of marital strife. Bible references are given to support the validity of the prayer solution. Ron Auch's personal example of how prayer changed his marriage fortifies the knowledge this book provides.

Kurzbeschreibung This is a revised and expanded edition by Ron Auch. Divorce statistics are growing at an unprecedented rate. And there appears to be no end in sight. Families are being torn apart. Lives are being shattered. It's happening in the world. It's happening in the Church. But there is a solution.
