Lawrence (tdlawrence@aol.com)I am amazed at the simplicity and practical nature in which this book is written. When I knew it was written in the 1930's, I confess I

was pessimistic. I was wrong. Mr. Hallesby communicates clearly and understandably to the 90's. If you are struggling with prayer as I have, please take the time to order and read this book. You will be encouraged, not beaten down. You will realize that prayer is as natural as breathing and that Jesus Christ is delighted to be our instructor. It is worth your time. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Most influential book on prayer I have ever read. Von Ein Kunde My prayer life was transformed after reading this simple and straightforward book.
