Von Stormie Omartian : Praying God's Will for Your Life: A Prayerful Walk to Spiritual Well Being (Omartian, Stormie) before purchasing it in order to gage whether or not it would be worth my time, and all praised

Praying God's Will for Your Life: A Prayerful Walk to Spiritual Well Being (Omartian, Stormie):

Kurzbeschreibung For years Stormie Omartian prayed the prayer, "Change my husband, Lord." Then she realized that she had to pray for herself -and examine her own heart - before she could pray effectively for him. Her prayer become, "Change me, Lord." In this book, she presents that process for all wives who want the power to pray for themselves and their husbands. In the first six days readers consider how to develop or maintain an intimate relationship with the Father. During the next six days they look at the Power Tools that feed this intimate relationship. Praying God's Will for Your Life is ideal for women who have read Stormie's bestselling books on prayer and want to move deeper into the power of prayer. From Publishers Weekly Are spiritual exercises, prayers and "tools for truth" necessary to strengthen one's faith? Based on the success of evangelist Omartian, one may argue that the answer is "yes" for many of today's searchers. The author of *The Power of a Praying Wife* and *The Power of a Praying Parent* continues her spiritual journey, focusing this time on the process by which one invites the Father/Son/Holy Spirit into one's life. Omartian talks movingly of the horror of her early years, recounting her relationship with her abusive, mentally ill mother and the desperate moments when she tried to end her life. She chronicles the processes by which "Jesus opened all those dark places in me." At one point in her journey, she describes how a small closet similar to the one in which her Mom used to lock her away became a sanctuary for prayer. Nevertheless, this work is strictly for those born again, or for those ready to be. As poignant as many of Omartian's stories are, she speaks too often with a righteousness that borders on intolerance, and her Sunday school tone may alienate as many as it calls home.
