Life Chaging Book!Von Glyndon GreerI had the opportunity to read this book while doing an internship at my Church. We had to read a book every three months and then write a brief paper on how the book inspired us personally. The book started off a little slow but once you got into the book you could not help but to feel for John Hyde. He was such a

man of prayer, and you could actually feel his passion and love for prayer and intercession. The book goes over his life and shows different aspects of his life in prayer. The book truly challenged me in my own individual prayer life! I couldn't help but grow by reading this book. I recommend it to anyone who truly has a heart to pray or anyone going into ministry. It changed my life, it can change yours!

Kurzbeschreibung John Hyde's prayer life ranks in a league with the prayer lives of Andrew Murray, George Mueller, Charles Finney, Frank Bartleman, Rees Howells, Evan Roberts and other prayer warriors of church history. If you wish to learn to pray effectively, you can have no better example than the life of John Hyde.
