Von Sharon Linnea : Princess Ka'iulani: Hope of a Nation, Heart of a People (Women of Spirit) before purchasing it in order to gage whether or not it would be worth my time, and all praised Princess Ka'iulani: Hope of a Nation, Heart of a People (Women of Spirit):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. What an inspiring story!Von Ein KundeThis book was written for young readers but adults can enjoy, too. The Princess Kaiulani's life story gave me deeper meaning for life, such as responsibility, role, and love for people and nation. The author succeeded to picture the far away ilands so vivid even though I have never visited. Anyway I strongly recommend this book for every school library to purchase this and also adults to read.0 von 0 Kunden fanden die folgende Rezension hilfreich. For everyone who loves HawaiiVon Ein KundeThis book is a joy to read for everyone who has ever fallen in love with Hawaii (and even those who haven't). This poignant story of the last Hawaiian

princess will give you a much deeper view of Hawaii than ever before. Hawaii is a lovely vacation spot, but it also has a rich, unique history. I heartily recommend Princess Ka'iulani: Hope of a Nation, Heart of a People for all ages.

Kurzbeschreibung On March 1, 1893, Princess Kaiulani, the seventeen-year-old crown princess of Hawaii, stepped onto the pier at New York City. She was greeted by a crowd of reporters and onlookers who knew that, in many ways, she stood at a crossroads in history. Fully aware of the significance of her visit, she prayed that she could help persuade the American government to return her beautiful islands to the Hawaiian people. This biography tells the fascinating and little-known story of Princess Kaiulani's life and courageous fight for Hawaiian independence. Using many newly translated journals and letters, Sharon Linna introduces young readers to the most beloved figure in Hawaiian history, and one of America's most overlooked Christian heroines.
