Von Tyane Boye : Prophetic Intern (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Prophetic Intern (English Edition):

KurzbeschreibungProphetic Intern is a made-for-Kindle compilation of a series of weekly newsletters. For eight months as a novice prophetic trainee, I wrote to the partners and friends of an international prophetic ministry. The Sunday TYM.E.S. (Tys Meditation, Encouragement, and Sharpening in Him) was a quirky newsletter with bad

punctuation, and I knew it. But here was a chance to share my testimony, and I believed many would find points on which to meditate, be encouraged, and even be sharpened. The Dear Reader sections served to introduce the week's topic to my new friends. I wanted to keep the style relaxed and real. I knew this audience had incredible stories of their own to tell me, and tell me they did! Many took the time to write to me personally and share their stories. I do treasure each person and the letters they wrote in response to the TYM.E.S. The Lord used these to encourage me greatly along the way. Thank you all!
