Psalms Now a moving and useful worship resourceVon Ein KundeAfter using Psalms Now in Bible study for liturgical prayer I decided to try it in a Contemporary Christian Worship setting. The response was phenominal. Wether it is used as a

basis for prayer or in a traditional liturgical style it is a very helpful book to bring the psalmists words to life!0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungCelebrate the reality of God with the psalmists. What would the psalm writers say if they lived in our times? What words would they use to express their prayers? How would their songs reflect the same truth in a different age? *Psalms/Now* captures the meaning of the psalms for our time. Leslie Brandt restates, in today's language, the psalmists' honest prayers of praise, sorrow, compassion, fatigue, love, and countless other emotions encountered by those who truly experience life.
