Von Jim Lindberg : Punk Rock Dad: No Rules, Just Real Life before purchasing it in order to gage whether or not it would be worth my time, and all praised Punk Rock Dad: No Rules, Just Real Life:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sind wir nicht alle ein bisschen Punk Rock?Von Holly GolightlyDas Buch ist wahnsinnig lustig und menschlich und als ehemaliger aufmpiger Teen bzw. Twen, der nun in seinen Dreißigern oder Vierzigern ist, findet man sich hier an einigen Stellen selbst wieder. Ich habe mehrfach laut gelacht. Perfekt fr einen verregneten Sonntag auf der Couch.

Sehr kurzweilig.

Kurzbeschreibung Jim Lindberg is a Punk Rock Dad. When he drives his kids to school in the morning, they listen to the Ramones, the Clash, or the Descendents and that's it. They can listen to Britney and Justin on their own time. Jim goes to soccer games, dance rehearsals, and piano recitals like all the other dads, but when he feels the need, he also goes to punk shows, runs into the slam pit, and comes home bruised and beaten . . . but somehow feeling strangely better. While the other dads dye their hair brown to cover the gray, Jim occasionally dyes his blue or green. He makes his daughters' lunches, kisses their boo-boos, and tucks them in at night and then goes into the garage and plays Black Flag and Minor Threat songs at a criminal volume. He pays his taxes, votes in all the presidential and gubernatorial elections, serves on jury duty, and reserves the right to believe that there is a vast Right Wing Conspiracy and that the head of the P.T.A. is possibly in on it. He is a Punk Rock Dad.

From Publishers Weekly As lead vocalist and guitarist in the veteran California punk-rock band Pennywise, Lindberg writes and sings songs like "Fuck Authority" and "Fight Till You Die." At home with his wife and three young girls, however, he oversees play dates and washes a lot of dishes. In his first book, Lindberg explores that bizarre dichotomy to its fullest, resulting in a fast read that's part memoir, part parenting manual. Writing with wit, charm and unexpected tenderness, Lindberg plays mix-and-match with life in a punk band and life at home, using punk's DIY ethic to address the challenge of raising well-adjusted children in a world ruled by conformity. Along the way, he shares often-intimate anecdotes about parenting classes, doctors' offices, breastfeeding and sex. Lindberg gains readers' trust early by refusing to sugarcoat parenthood, though he strives a bit too hard to prove he's still a punk rocker at heart. Also distracting-and potentially off-putting-is his odd way of referring to his children-not by name, but by birth order ("Daughter number one," etc.). Despite minor flaws, this colorful, captivating title deserves a large audience of adults looking to raise good kids without losing sight of their youthful passions. Photos. Pressestimmen The irony of Jim's early punk rock rebellion makes this book a very funny and revealing read. (Mike McCready, Pearl Jam) Jim Lindberg is proof positive that childrearing can take the most recalcitrant punk and catapult him in to adulthood. (Dr. Drew)
