Ohne viel zu spoilern muss man sagen, es lohnt sich.Graphisch kommt es in einer schwarz-wei Optik die sich teilweise sehr rau anfhlt.Punk Rock Jesus ist jedoch kein 'must-have' und wird in den Kritiken leider etwas herbewertet. Der interessante Story-Ansatz und

die das gesamte Comic begleitende Religionskritik machen es jedoch wieder zu etwas was man sich ruhig antun kann. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Hammer Punk Comic!! Von Donald Punkdesigner Der Comic hat mich bis auf die letzte Seite begeistert!! Ein tiefsinniger Comic mit intensiver Handlung über Christen, die IRA und Punk Rock!! Vielleicht kein "must-have" für jeden Comicleser, aber eins für jeden Punk der Comics mag ;-) Auch die Zeichnungen sind spitze!

Kurzbeschreibung A reality TV show starring a clone of Jesus Christ causes chaos across the U.S. of the near future in PUNK ROCK JESUS, a new graphic novel written and drawn by Sean Murphy, the acclaimed illustrator of JOE THE BARBARIAN and AMERICAN VAMPIRE. J2 causes both outrage and adulation. Religious zealots either love or hate the show, angry politicians worry about its influence on the nation, and members of the scientific community fear the implications of cloning a human being at all, let alone the Son of God. Thomas McKael is the clones's bodyguard and former IRA operative, who despite his turbulent past is hired to protect the new Jesus a baby who captivates the world, but grows up to become an angry teenager. When falling ratings force the network to cut Jesus's mother from the series the young star runs away, renounces his religious heritage and forms a punk rock band. And what starts off as babysitting for Thomas becomes an epic battle, as Jesus goes to war against the corporate media complex that created him. Along with his artistic credits on JOE THE BARBARIAN and AMERICAN VAMPIRE: SURVIVAL OF THE FITTEST, Murphy also wrote and illustrated the graphic novel OFF ROAD (Oni Press), and cowrote OUTER ORBIT (Dark Horse Comics). Pressestimmen " Murphy has constructed a compelling, searching, and important tale that embraces some of the biggest questions of our day, and he does so using incredibly energetic art with dynamic, elastic compositional approaches. " Publishers Weekly Starred Punk Rock Jesus is amazing. The series has been incredible right from the beginning and it ends in a spectacular fashion. It's brilliant and heartbreaking, epic and emotional. This is book that makes you think. If you haven't been reading Punk Rock Jesus, you owe it yourself to pick up the collected addition when it releases this spring. Don't miss one of the best series of 2012. IGN Like the satirist and critical works of writers such as Jonathan Swift, John Locke, and Thomas Paine, Murphy has turned the written word upon its reader and exposed the ugly truths within ourselves, the country we live in, and the culture we have built around us. All of this, and an engrossing story with deep and authentic characters to boot. New Jersey Journal Every once in a while, a comic will come out that really defines everything that is amazing about the medium: A comic that is thought provoking and emotion inducing. A comic that speaks to people in so many different ways that each person has their own take and experience with it. Punk Rock Jesus is that book. Its truly a book that crosses a line that few are willing to cross. reviewSTL.com Seans work is flawless. Punk Rock Jesus is the best kind of scifia meditation on liberty for the cyber-age. Pop Matters Sean Murphys Punk Rock Jesus belongs in the same league as Watchmen, its a complete game changer. Craveonline Punk Rock Jesus just feels like a classic in the making, and I urge you to get in on the ground floor while you still can. I predict Punk Rock Jesus will change the life of Sean Murphy and shoot him right to the forefront of the industry as one of its top young stars. Aint It Cool News With its dark sense of humor and an uncompromising approach to somewhat subversive material, it feels like an underground hit that belongs to an earlier era. In more ways than one, this is a legend in the making. Definitely give it a shot, if only so you can say you were there when it happened. Comic Book Resources, Rating 5/5 Stars "The fearlessness of Punk Rock Jesus is what grabs me the most, the sheer lack of disregard for what's "commercial" that Murphy and company exude in exchange for an earnest attempt at grabbing your attention, to strut its own stuff ... but in the secret hope that you're still watching. Well, you win this round, Punk Rock Jesus, just on style points alone. You've got yourself a disciple.
