for an argument on why Christians should believe in Purgatory. Instead, this fascinating work discusses visions of Purgatory and of souls from Purgatory. It is divided into two sections- the first section talks about the Justice and is meant to inspire holy fear of Purgatory, while the second section is meant to show the mercy of God in giving such a place, so as to keep any inordinate fear of it in check. It inspires one to pray for the poor souls there while inspiring that person to avoid sins. A wonderful book overall, even if it is 100 years old!
