This book saved my boatVon Ein KundeI was about to purchase a new boat that I really couldn't afford, when I came across Quick Easy Boat Maintenance. It helped me restore my boat with minimal pain and suffering. Now I wouldn't sell it for the world, but if I did, I also have the plus of knowing I can get top dollar for my newly restored shining clean vessel. Sandy's tips are clearly and concisely written and VERY easy to use. I keep this book on board with me at all times in case of mechanical problem.0 von 0 Kunden fanden die folgende Rezension hilfreich. This book helped me

save big bucks! Von Ein Kunde This book is filled with excellent tips that helped me throw away many of my expensive boat cleaners and replace them with cheaper, less caustic, yet equally thorough cleaning substitutes. Plus, my boat cleaning chores go quicker now. This book has paid for itself several times over. And I haven't even touched on the excellent engine maintenance tips it contains... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Best of Boating's Tips Von Ein Kunde This book is the best of Sandy's how-to tips for that ran in Boating for the past 5 years, and about 500 more tips that I hadn't read before. A handy compilation that's a must for every boater's workshop bookshelf.

Kurzbeschreibung A treasure chest of proven labor-savers that can help you get those pesky maintenance chores done faster--so you can get out on the water and play. Here are 1,001 tested tips from Boating Magazine's maintenance expert, giving super-effective yet environmentally friendly ways to clean and maintain all your boat's systems: deck, hull, cabin, engine, bilge, electrical systems, tanks, and gear. Stop working on your boat and go boating!. de Boat owners, let us remind you of this simple fact: it's better to be out on the water than working on your boat at the dock. Sandy Lindsey has compiled 1,001 tips to help you keep your boat running--and looking--its best in Boating Magazine's Quick Easy Boat Maintenance. From deck to hull, from paint to the electrical systems, and from winterizing to preparing for opening day, Lindsey offers up advice to help you maintain your boat in less time and with less expense. Many of these tips are also happily environmentally friendly--for example, replacing expensive boat cleaners with cheaper and less caustic substitutes. With its concise text and clear layout, this guide will become a welcome addition to your boating library. --M.
