**Von Siobhan Wall : Quiet London** before purchasing it in order to gage whether or not it would be worth my time, and all praised Quiet London:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. They should have a book like this for other citiesVon rcmlAs part of my work I do spend a lot of time in many different cities. I often do not have the time to explore the cities in which I work (sometimes for years) and most guide books I find boring. It would be great if a publisher took up the theme and produced book of this kind for all the major cities in Europe. The question is: do quiet places remain quiet when they become a tourist attraction? rcml0 von 1 Kunden fanden die folgende Rezension hilfreich. Some nice places, maybe not for a young personVon DominiqueI bought this book as a present for a friend. I did not go to London to study the places that are recommended in the book. However, the style of the places that are recommended did not seem to be very appropriate for a young person. In particular, this

applies to cafs and shopping places. Some of the parks seemed to be nice recommendations for every age, though.

**Kurzbeschreibung** Where can Londoners and visitors find quiet places to meet and talk? London is an exciting place to be, but not everyone wants to be in a noisy environment listening to loud music. Perhaps they want to be somewhere where they can read a book, or sit and linger for a while. Many visitors to the capital long to discover places off the beaten track - find a delightful garden to sit in or a tree-lined walk by a river. Busy Londoners are often looking for somewhere to go which is an alternative to lively venues; a place where things are understated rather than grabbing their attention... Quiet London is a guide to quiet places to meet, drink, eat, swim, rest, shop, sleep or read. It includes interesting, attractive places where people don't have to strain to hear each other speak. There are short descriptions for each venue, alongside travel and contact details and simple but atmospheric photographs in colour and black and white.
