Tolle praktische BeispieleVon Mateja SedinicDa ich mich auch beruflich mit Sprachen beschftige, war dieses Buch fr mich genau richtig. Es schildert wissenschaftlich, aber nicht zu kompliziert, einige praktische Beispiele zur mehrsprachigen Erziehung. Ein eindeutiger Ratgeber ist das Buch nicht, was ich persnlich gut finde, da nunmal jedes Kind ein

Individuum ist, auf welches entsprechend eingegangen werden muss. Es gibt für Erziehung keine Formeln, von daher halte ich von Ratsgebern entsprechend wenig. Solche Schilderungen der praktischen Beispiele und Erfahrungen empfinde ich als viel nützlicher. Letztendlich muss jeder selbst individuelle Entscheidungen in der Erziehung des eigenen Kindes treffen (können). Top Buch als Unterstützung! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Very helpful Von satellitesister This book helped me immensely when I was trying to decide if and how to raise our kids bilingually. It gave me confidence and guidance, and I re-read passages regularly as the kids (and their vocabularies) grow. 2 von 4 Kunden fanden die folgende Rezension hilfreich. Kein Ratgeber Von D. Fahrigh Ich war von dem Buch enttäuscht. Ich hatte mir ein Ratgeber erhofft in dem die beste zweisprachige Erziehungsmethode erlăutert ist. Das Buch ist aber sehr wissenschaftlich geschrieben und half mir nicht bei meiner Entscheidung OPOL oder ml@h zu benutzen.

Kurzbeschreibung If you would like your children to experience the benefits of becoming bilingual, but you aren't sure how to teach them a second language, then *Raising a Bilingual Child* is the perfect step-by-step guide for you. *Raising a Bilingual Child* provides parents with information, encouragement, and practical advice for creating a positive bilingual environment. It offers both an overview of why parents should raise their children to speak more than one language and detailed steps parents can take to integrate two languages into their child's daily routine. *Raising a Bilingual Child* also includes inspirational first-hand accounts from parents. It dispels the myth that bilingualism may hinder a child's academic performance and explains that learning languages at a young age can actually enhance a child's overall intellectual development. From the Trade Paperback edition. Pressestimmen A timely and well-written book! [It] helps parents prepare their children for the future.--J. Kevin Nugent, Ph.D., Director, The Brazelton Institute, Children's Hospital Boston and Harvard University; Professor, Child and Family Studies, University of Massachusetts Amherst This book is sure to become a classic! Parents should appreciate this important book. Pearson inspire[s] all of us to celebrate the richness of linguistic diversity in our lives.--Kenji Hakuta, Ph.D., Lee L. Jacks Professor of Education, Stanford University, Author of *Mirror of Language: The Debate on Bilingualism* This is a book that inspires confidence that the choice of bilingualism is a good one for parents, for children, and for our society.--Donna Christian, Ph.D., President, Center for Applied Linguistics, Washington D.C. Pearson has used her keen insights about the issues that parents are concerned about to paint an in-depth and interesting-to-read handbook.--Fred Genesee, Ph.D., Professor of Psychology, McGill University, Co-author of *Dual Language Instruction: A Handbook for Enriched Education* Barbara Pearson's [book] is a wonderfully written, sparkling composite of research results, personal narratives, practical advice, and wise enthusiasm for the project of bilingualism [].--Thomas Roper, Ph.D., Professor of Linguistics, University of Massachusetts Amherst, Author of *The Prism of Grammar* I thoroughly agree with the authors' insights and recommendations which are both research-based and flexible and comprehensive enough to accommodate different family situations.--Lourdes C. Rovira, Ed.D., Associate Superintendent, Curriculum and Instructional Support, Miami-Dade County Public Schools I enjoyed reading *Raising a Bilingual Child* and found it informative and accessible.--Chris Rosenberg, Principal, Starr King Elementary School, San Francisco Kurzbeschreibung If you would like your children to experience the benefits of becoming bilingual, but you aren't sure how to teach them a second language, then *Raising a Bilingual Child* is the perfect step-by-step guide for you. *Raising a Bilingual Child* provides parents with information, encouragement, and practical advice for creating a positive bilingual environment.
