**Von His Divine Grace A. C. Bhaktivedanta Swami Prabhupada : Raja-vidya, the King of Knowledge (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Raja-vidya,

the King of Knowledge (English Edition):

KurzbeschreibungThe King of KnowledgeWe may be proud of our academic education, but if asked what we are, we are not able to say. Everyone is under the conception that this body is the self, but we learn from Vedic sources that this is not so. Only after realizing that we are not these bodies can we enter into real knowledge and understand what we actually are. This knowledge is the king of all education, the most secret of all secrets. It is the purest knowledge, and because it gives direct perception of the self by realization, it is the perfection of religion. It is everlasting and it is joyfully performed. Bhagavad-gita 9.2
