**Von Christopher Isherwood : Ramakrishna and His Disciples** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ramakrishna and His Disciples:

Kurzbeschreibung This biography of Ramakrishna was written for the West by one of England's most talented authors. The writing is beautiful in itself, but the story of a most unusual man with unheard of spiritual yearning is what this book is really about. Excerpt: "This is the story of a phenomenon. I will begin by calling him simply that, rather than "holy man," "mystic," or "saint"; all emotive words with mixed associations which may attract some readers, repel others." A phenomenon is always a fact, an object of experience. That is how I shall try to approach Ramakrishna . . . I only ask you to approach Ramakrishna with the same open-minded curiosity you might feel for any highly unusual human being.

I only ask you to approach Ramakrishna with the same open-minded curiosity you might feel for any highly unusual human being.

Synopsis A biography of Ramakrishna, who spent most of his adult life meditating and teaching in a temple on the banks of the Ganges near Calcutta. During his lifetime he was known to relatively few people but his disciples carried his message to the United States and Europe at the turn of the century.
