KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Not

quite what I had hoped for Von MWN Good intel, but really most of it is mainly applicable to military personnel. Me as a civilian can only make so much use from the intel in the book. Still good stuff however if you serve. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Not what I expected Von MWN More for soldiers. Not so much for civilians. The intel itself is valid, but not much applies to my situation.

Kurzbeschreibung The Official US Army Ranger Handbook, as used in Fort Benning. RANGER CREED Recognizing that I volunteered as a Ranger, fully knowing the hazards of my chosen profession, I will always endeavor to uphold the prestige, honor, and high esprit de corps of the Rangers. Acknowledging the fact that a Ranger is a more elite Soldier who arrives at the cutting edge of battle by land, sea, or air, I accept the fact that as a Ranger my country expects me to move further, faster, and fight harder than any other soldier. Never shall I fail my comrades I will always keep myself mentally alert, physically strong, and morally straight and I will shoulder more than my share of the task whatever it may be, one hundred percent and then some. Gallantly will I show the world that I am a specially selected and well trained Soldier. My courtesy to superior officers, neatness of dress, and care of equipment shall set the example for others to follow. Energetically will I meet the enemies of my country. I shall defeat them on the field of battle for I am better trained and will fight with all my might. Surrender is not a Ranger word. I will never leave a fallen comrade to fall into the hands of the enemy and under no circumstances will I ever embarrass my country. Readily will I display the intestinal fortitude required to fight on to the Ranger objective and complete the mission, though I be the lone survivor
