Re-member our light family/erinnere dich an die LichtfamilieVon Eva ReinermannSteve Rother channels the Group. Love matters more than names in the family of light-workers. We are lightworkers when we remember that this is what we came to do and be. Looking for explanations ? You will find many, maybe more replies than you had asked for - and

re-member you will, sometimes with tears, or tears of laughter, but always with love. Steve Rother channelt die Gruppe. Liebe ist wichtiger als Namen in der Familie der Lichtarbeiter. Wir sind Lichtarbeiter, wenn wir uns daran erinnern, dass es das ist, was wir tun und sind. Du suchst nach Erklärungen? Du wirst viele finden, vielleicht sogar mehr Antworten als du angefragt hast - und du wirst dich er-innern, manchmal unter Tränen oder Tränen der Heiterkeit, aber immer mit Liebe. A Wonderful and Subtle Journey Home Von Andreas Robert Stocker This wonderful, ethereal and yet well-grounded book tells how much we contemporary humans are honoured and privileged to be born into now time. And it accomplishes this in a very loving, subtle and understanding way. The book leads us a great step towards our True Self and towards remembering who we really are and what our major life tasks consist of. It deals with the increasing change and development processes under way. The book shows that each and every single individual - aware or not - but also society as a whole form an integral part of this process called ascension. At times, that process is painful but the pain is more than just worth its while. A core message is the following: Find your own energy, hence find your own joy and passion, and so become Co-Creator. Author Steve and his channel display a great deal of patience when they explain why and how things are the way they appear to be in our peculiar world of polarity - and why there is polarity in the first place. I can also warmly recommend the more recent book that goes by the name of "Welcome Home - The New Planet Earth". 1 von 1 Kunden fanden die folgende Rezension hilfreich. Willkommen zuhause!
