**Von Joint Association of Classical Teachers : Reading Greek: Grammar and Exercises** before purchasing it in order to gage whether or not it would be worth my time, and all praised Reading Greek: Grammar and Exercises:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
berragendes Lehrbuch - orientierungslose Edition!Von Oliver FuchsSicherlich geht diese Reihe zu den besten Griechisch-Kursen, die es gibt.sehr gute bungen, Erklungen, ausfhrliche Textpassagen.ABER: leider ist das groe Lehrwerk auf drei Bchern aufgeteilt worden - Texte, Erluterungen und Grammatik.Und das ist das Problem: Da man ja in allen drei Bchern lesen muss (simultan), man im Kindle aber nur eins ffnen kann (es sei denn man benutzt mehrere), ist das Durcharbeiten der einzelnen Kapitel leider unmglich. Die Folge ist eine erschwerende Orientierungslosigkeit. Hier besteht dringend Nachholbedarf - z.B. dass die Kapitel der verschiedenen Bchern bergreifend verlinkt sind, so dass

ein schnelles Springen möglich wre. Inhalt top - Edition flop!

**Kurzbeschreibung** First published in 1978, Reading Greek has become a best-selling one-year introductory course in ancient Greek for students and adults. It combines the best of modern and traditional language-learning techniques and is used widely in schools, summer schools and universities across the world. It has also been translated into several foreign languages. This volume provides full grammatical support together with numerous exercises at different levels. For the second edition the presentations of grammar have been substantially revised to meet the needs of today's students and the volume has been completely redesigned, with the use of colour. Greek-English and English-Greek vocabularies are provided, as well as a substantial reference grammar and language surveys. The accompanying Text and Vocabulary volume contains a narrative adapted entirely from ancient authors in order to encourage students rapidly to develop their reading skills, simultaneously receiving a good introduction to Greek culture.

**Pressestimmen** 'Grammar and Exercises is unique - in comparison to alternative learning Greek material - in its comprehensibility. a comprehensive guide to learning ancient Greek Moreover, the book is accessible to independent learners and those on distance-learning courses.' The Journal of Classics Teaching

**ber das Produkt** Second edition of best-selling one-year introductory course in ancient Greek for students and adults. This volume provides full grammatical support and numerous exercises at different levels. The presentations of grammar have been substantially revised and the volume completely redesigned, with the use of colour.
