Von Luke Timothy Johnson : Reading Romans: A Literary and Theological Commentary (Reading the New Testament Series Book 6) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Reading Romans: A Literary and Theological Commentary (Reading the New Testament Series Book 6) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Useful contributionVon Paul WhitingJohnson in this commentary offers a sustained and well articulated "reading" of Romans; though at times he can be a little idiosyncratic in his views and labour some points endlessly. He is very good in focusing on the literary conventions of this letter, but not so good when it comes to exegetical detail. One glaring weakness that this work has is that it does not interact with alternative readings or views in a sustained or consistent way. Another shortcoming is that it contains no indexes or bibliographies! Thus, I would say that this should not be top of your list when it comes to purchasing commentaries on Romans. For roughly the same price you can get Douglas Moo's larger and more exhaustive commentary in the New International Commentary on the New Testament series, or if you are looking for a Roman Catholic perspective, Brendon Bryne's volume in the Sacra Pagina series. Nevertheless, this volume does contain some exegetical distinctives.

KurzbeschreibungThe Epistle to the Romans is considered to be the classic of Reformation theology. Luke Johnson, a scholar from the Roman Catholic tradition, invests this commentary with breadth of perspective and clarity of expression. He focuses on understanding the key themes and their relationship to the whole of Pauline writings and the shaping of Christianity.Luke Timothy Johnson is the R.W. Woodruff professor of New Testament and Christian Origins at the Candler School of Theology at Emory University in Atlanta, Georgia.KurzbeschreibungThe Epistle to the Romans is considered to be the classic of Reformation theology.
