hilariously funnyVon Marina C. WatteckJim Belushi gives real advice - mainly - for men. Without being patronizing he explores the depths of manliness. Apart from being very, very funny he also talks about his relationship with his brother, how his life took a down spiral after his death and how he finally came to terms with himself, his family and life in general. Listening to Jim Belushi reading or better, telling his book is quite a treat.1 von 1 Kunden fanden die

folgende Rezension hilfreich. Immer wieder Jim Von Clemens Marie-rose Ich habe das Audiobook zufällig gefunden bei der Suche nach den DVDs der Serie die manchmal bei RTL 2 läuft. Es ist umwerfend komisch seine originale Stimme zu hören, wie er von seinem Leben und seinen Erfahrungen erzählt. Natürlich geht es auch um Liebe und Sex, aber nie unter der Gertellinie. Für Fans und die es noch werden wollen..... Man sollte allerdings keine größeren Probleme mit dem Verstehen von Amerikanischem Englisch haben. Die Kapitel werden teilweise von Musik der Sacred Hearts Band begleitet. Wenn man allerdings vom MP3 Player hört und das in aller Öffentlichkeit, wird man vielleicht bei freiem lauten Lachen etwas komisch angesehen werden.....Have Love Will Travel 0 von 0 Kunden fanden die folgende Rezension hilfreich. Typical American way to see the life Von RRI's simply funny... Typical from Jim Belushi and family i can said. Good advice even when just apply to some regions in the states (definitely not all to Europe) but still pretty funny. I think is better in Audio Book as in paper. I bet you that...!! I am happy that i bought it. (first audio book)
