How Could You Not Love This Woman.....?Von Kriket2119@aol.comVery few singers have the power over an audience like Reba.....whether it be performing on stage or telling us her life story in this book. Reba has suffered many tragic events in her life and yet she still remains strong. Very few people can do this. She tells a tale of happiness, love, triumph, woe, and tragedy. I simply could not put this book down. The only thought going thru my mind, besides wanting to stand face to face with this amazing woman, was how can one person go thru so much and still have the strength she has. Reba fan or not this is a MUST for all. Reba, keep up the good work darlin' and hats off to ya! LOVE YOU!0 von 0 Kunden fanden die folgende Rezension hilfreich. it was the best book i ever redVon Ein Kundethe book was very good and interesting their were things it their that i never knew about reba when i first red the book i cried it was very tuching the part when her band crashed made me cry the most i read this book over and over again its my favorite i take it every where and recomend it to everyone who is looking for a good book to read its the only book i recomed to people who are looking for somethin to read Reba is an insperation to me i look up to her as my role model her music is ver uplifting it was the greatest book i have ever read

KurzbeschreibungWith the same straightforward honesty that made her one ofcountrystop-selling female recording artists, Reba McEntire tells her phenomenal story. From her childhood in Oklahoma working cattle with her ranching family to her days on the rodeo competition circuit, from her early days as a performer in honky-tonks to her many awards and a sold-out appearance at Carnegie Hall, Reba relates her experiences with heartfelt emotion and down-to-earth humor. With the same warmth and generous spirit that infuses her music, she introduces us to the most important people in her life: the family and friends who sustain her and the musicians and producers who have inspired her and helped her realize her artistic vision. With great poignancy, she also recounts the lowest points of her life, the breakup of her first marriage and the plane crash that took the lives of eight of her band members; and the highest, her remarriage and the birth of her son Shelby. Her story is not only a chronicle of a remarkable life but a vivid testament of unshakable determination and faith in God. Reba: My Story is an intimate portrait of one of Americas most beloved and successful entertainers.NOTE: This edition does not include a photo insert.KurzbeschreibungWith the same straightforward honesty that made her one ofcountrystop-selling female recording artists, Reba McEntire tells her phenomenal story.
