Schneerson, the Most Influential Rabbi in Modern History before purchasing it in order to gage whether or not it would be worth my time, and all praised Rebbe: The Life and Teachings of Menachem M. Schneerson, the Most Influential Rabbi in Modern History:

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Anregend!!Von Chatch KHAMPHETDas Buch vermittelt an den Leser die Stellungnahmen vom Rebbe in vielfltigen

Themen. Viele von denen wecken meine Neugier. Manche Meinungen vom Rebbe erzwingen den Gegner, den mehr gewichtigen Argument vorzubringen. Die Lehren sind total hilfreich in jeder Lebenslage. Insgesamt weitet das Buch meinen Ausblick. Ich bin dem Rabbiner Telushkin für dieses anregendes Buch sehr dankbar. 3 von 4 Kunden fanden die folgende Rezension hilfreich. Great Book Von Amir I am not in position to celebrate the Great REBBE, but i would like to thanks Rabbi Joseph Telushkin that shared the memory of REBBE with us. I love this great book, many thanks. 3 von 3 Kunden fanden die folgende Rezension hilfreich. Biography of man who believed in the potential for salvation of everyone Von Helpful Advice Rebbe written by Joseph Telushkin is book that deals with the life of Menachem M. Schneerson, as the book title says the Most Influential Rabbi in Modern History, a biography which sometimes seems like a hagiography, but the book certainly worth reading. Known as the Lubavitcher Rebbe he was well-known Hasidic rabbi who was the last Rebbe of the Chabad-Lubavitch community. As fifth in a paternal line to the third Chabad-Lubavitch Rebbe, Schneerson took over this Jewish community in the early 1950s from his father-in-law and lead it until his death 1994. He became very known person because of his activities over the planet, among others his foundation of number of institutions such as schools, synagogues and kindergartens that were teaching traditional religious practices among the Jewish community. Even during his life, by many of his followers he was seen as kind of saint, Messiah, though Schneerson modestly rejected such glorification. It must be said is that although Rebbe with its more than 600 pages is demanding book, actually its easy and interesting to read because of humor and many anecdotes from life of this person who always emphasized the importance of education and believed in the potential for salvation of everyone, not matter how difficult it may sound for some people. Therefore, this well-made biography about Menachem M. Schneerson, this remarkable man is read that can be recommended.

Kurzbeschreibung One of the greatest religious biographies ever written. Dennis Prager In this enlightening biography, Joseph Telushkin offers a captivating portrait of the late Rabbi Menachem Mendel Schneerson, a towering figure who saw beyond conventional boundaries to turn his movement, Chabad-Lubavitch, into one of the most dynamic and widespread organizations ever seen in the Jewish world. At once an incisive work of history and a compendium of Rabbi Schneerson's teachings, Rebbe is the definitive guide to understanding one of the most vital, intriguing figures of the last centuries. From his modest headquarters in Crown Heights, Brooklyn, the Rebbe advised some of the world's greatest leaders and shaped matters of state and society. Statesmen and artists as diverse as Ronald Reagan, Robert F. Kennedy, Yitzchak Rabin, Menachem Begin, Elie Wiesel, and Bob Dylan span the spectrum of those who sought his counsel. Rebbe explores Schneerson's overarching philosophies against the backdrop of treacherous history, revealing his clandestine operations to rescue and sustain Jews in the Soviet Union, and his critical role in the expansion of the food stamp program throughout the United States. More broadly, it examines how he became in effect an ambassador for Jews globally, and how he came to be viewed by many as not only a spiritual archetype but a savior. Telushkin also delves deep into the more controversial aspects of the Rebbe's leadership, analyzing his views on modern science and territorial compromise in Israel, and how in the last years of his life, many of his followers believed that he would soon be revealed as the Messiah, a source of contention until this day. Pressestimmen [An] excellent new biography of Chabad's great 20th-century leader For all his immense achievements, the Rebbe's power ultimately came from a simple message that anyone can appreciate. As Mr. Telushkin puts it: Love your fellow, and not just those who agree with you. Mesmerizing. (Wall Street Journal) Through his clear and unambiguous prose cultivated from many sources, Telushkin recounts how the Rebbe fundamentally transformed notions of human potential, as he believed individuals were capable of much more than we imagine for ourselves... Rebbe will be a staple of rabbinic biography for years to come. (Huffington Post) The subtitles claim that Schneerson was the modern world's most influential Jewish religious leader is proven throughout this highly readable book Readers are left to draw their own assessment from the wide-ranging portrait Fascinating. (Booklist (starred review)) A vivid, panoramic view of Rabbi Schneerson-in each of his many roles as dynamic spiritual leader, inspiring teacher, and even motivating life coach and management guru Telushkin's Rebbe is a man in constant motion, a non-stop whirlwind of faith-driven energy and action possessed of a spiritual calm. (The Jewish Week) An admiring but honest look at Schneerson and his legacy What stands out is Schneerson's engagement with the principles by which he managed to wield a considerable influence upon the American cultural scene and the Jewish world An engaging account. (Publishers Weekly) Well-qualified to write about his subject, [Telushkin] draws on Schneerson's public statements as well as his voluminous correspondence and his thousands of private audiences, with his followers and others, both Jewish and non-Jewish. An approachable and admiring introduction appropriate for readers interested in modern Jewish thought. (Kirkus s) One of the greatest religious biographies ever written. Generations from now, Rebbe will be read by people of every faith. (Dennis Prager, national talk show host and New York Times bestselling author of Still the Best Hope) An iconic figure comes alive in these pages, a man of wisdom and learning, yes, but also of deep personal caring and kindness An astounding personal biography. (Ruth Messinger, President, American Jewish World Service) Whether you are a believer, an admirer or a respectful skeptic, you will learn much from this deep and accessible account of a truly great man by a great writer.

(Alan M. Dershowitz, professor emeritus, Harvard Law School, and author of *Taking the Stand*) Joseph Telushkin's earthbound study introduces the most influential rabbi in modern history by documenting the incremental process through which his influence was acquired. Illuminating. (Commentary Magazine) Telushkin offers a rounded portrait of life in the shadow, or the sunlight, of the Rebbe. We meet dozens of followers and hear their stories, get a feel for the texture of their devotion, for why they loved him. It is worth studying how and why his method worked. (The Jewish Daily Forward) [Rebbe] should be in the personal library of Americans of every faith. (Front Page Magazine) [Rebbe] is an enjoyable book to read, with insights and perspectives as well as details that inform and engage, shedding light on a towering, influential figure. (Chicago Jewish Star) With this book, the Rebbe no longer is incomprehensible. Spend some time getting to know the Rebbe. You'll be glad you did. (Jewish Herald Voice) Provides a comprehensive history of the Rebbe's hallmark focus on the individual—from heads of state to the everyman (JNS) To understand why he inspired so many, do yourself a favor and pick up this moving, new biography. You don't need to be a Jew or even be a religious person to learn from this monumental man. (New York 1) Rebbe is that extremely rare thing: a perfect book about a perfect man. [It] brings the great man alive and gives the reader powerful motivation to examine his own life... The Rebbe touched the lives of millions; through Telushkin's book, he will touch the lives of many more. (NY Journal of Books) Kurzbeschreibung One of the greatest religious biographies ever written.
