Von Roxanna Brock : Red Rock Canyon: A Climbing Guide (Climbing Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Red Rock Canyon: A Climbing Guide (Climbing Guides):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Red rock KletterfhrerVon Gebhard HolzerWar leider noch nicht in red rock, um genaueres ber das Buch zu sagen. Auf jeden Fall steht ne Menge drin. Es ist halt nicht so modern aufgemacht wie ein Sizilien oder Andalusienfhrer. Aber wenn man die Touren gut findet ist es das Geld wert.

KurzbeschreibungThe most comprehensive climbing guidebook ever published for Red Rocks, Nevada.*More than

1500 trad and sport routes*Includes over 300 routes more than any other guidebook for the area, many of those routes never before been published*Features 90 topos and more than 100 photos with route overlays*Routes rated from 1 to 5 stars for qualityJust a 30-minute drive from the Las Vegas Strip, Red Rock Canyon National Conservation Area offers the best off-season weather of any climbing area in the United States. Its desert climate and its abundance of varied climbing routes-from beginner to advanced, trad routes and sport routes, single-pitch to big-wall-have made Red Rocks a prime year-round destination. In the past, no single guidebook offered climbers complete coverage of the area, but this new guide offers everything they'll need to know to get the most from their trip to Red Rock Canyon, including visitor information for the Las Vegas area.
