Von Aaron Fricke : Reflections of a Rock Lobster (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Reflections of a Rock Lobster (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A helpful book for gay teensVon Jason HorneWhen I came out at fourteen my mother bought "Reflections of a Rock Lobster" for me as her way of showing support. This book was very helpful to me at that time in my life. It was well written and kept my interest. The fact that it dealt with feelings and issues many gay teens face made me feel more

comfortable to be myself. I would recommend anyone who knows of a gay teen who has just come out and needs support, or any teen for that matter to have them read this book. If you have read this book and liked it I would also recommend "Not Like Other Boys--Growing Up Gay, A Mother and Son Look Back" by Marlene Fanta Shyer, Christopher Shyer.0 von 0 Kunden fanden die folgende Rezension hilfreich. A great book by a wonderful person!Von Ein KundeI went to Cumberland High School in 1978 after my parents were killed in a car accident in Texas. Needless to say, it was not only hard to experience such a trauma but to also start at a new high school was terrifying. Aaron was in my drama class. I will never forget his interpretation of a butterfly in heat or his home movie, "The Blob". His humor, friendship and honesty helped me through a difficult time in my life. I am grateful that I knew him then. Only after reading Reflections of a Rock Lobster did I realize how difficult it was for him at that time in his life.0 von 0 Kunden fanden die folgende Rezension hilfreich. Amends for HomophobiaVon Ein KundeBeing a graduate of the class of 1980, Cumberland High School, I find it so interesting that I and others who spoke out against Aaron are now living openly gay lifestyles. I enjoyed the book itself because it reminded me of just how anti-gay a gay person can be (i.e. myself). Aaron had guts and was a pioneer for the gay rights movement as we know it today. I only wish that I had the willpower at that stage of my life to have stood up with him rather than condemn him. Thanks for the book Aaron--you did well and we all owe you a debt of gratitude.

KurzbeschreibungKindle Edition contains color pictures illustrations as well as a brand new 15-page all-color photo essay which includes photos from the award-winning stage play! This is the moving account of a young man who sued his high school and won the First Amendment right to attend prom. Part coming-of-age story, part courtroom drama, and ALL TRUE! First published in 1981, this is the first time the book has been available in digital format.KurzbeschreibungKindle Edition contains color pictures illustrations as well as a brand new 15-page all-color photo essay which includes photos from the award-winning stage play!
